After taking instructions, from the files on the subject were gone through carefully.

The D.C. Kolar District Considers that the list of tank maintenance works now Subd which impose on Govt a liability of Rs 1603/- is the programme refd to in para 1 of G.O. dated 25.1.1924. The Rev Comm^r recommends Sanction thereto as the above amount is within the Sum of Rs 1,000 the maximum liability to be incurred by Govt in respect of T.T. works in the Kolar District.

The programme is incomplete as it is not prepared hobhewar. The D.C. states that it is not possible to prepare a programme. Moreover Sanction cannot perhaps be accorded to such piecemeal proposals, which will only cause confusion. The programme at this stage is only intended for the information of Govt & the works refd to therein are to be taken up only if distress deepens. Till then the works already Sanctioned have to be taken up.

A draft letter is accordingly submitted
